

BAKE SALE
FOR NO KID HUNGRY

PRESENTED BY

1 in 5 children in America don't know where their next meal will come from. That's 16 million kids.
But there is hope, it starts with a **bake sale**.

Share Our Strength's Bake Sale for No Kid Hungry is a national campaign that encourages friends, families and co-workers to host bake sales in their communities to help end childhood hunger in America. Since 2003, more than 1.4 million people have participated in Bake Sale for No Kid Hungry, raising more than \$11 million.

Your bake sale will create awareness and help educate your community about an issue that is often ignored: childhood hunger in America. Funds raised at your bake sale will support Share Our Strength's effort to surround kids with nutritious food where they live, learn and play.

Sign up today and start planning your own bake sale at:
Bake.NoKidHungry.org/getstarted.
