

PRINTING INSTRUCTIONS:

These stickers are designed for use with a 2x4 label, such as Avery Label #5163. Avery labels are available at most office supply stores, as well as through online vendors.

We recommend printing a test sheet on a blank piece of paper to check alignment prior to printing on the actual label paper.

When printing from Adobe® Reader or Acrobat, remember to SET YOUR PAGE SCALING PREFERENCE TO “NONE” (in the print dialogue box) and print only pages needed (2, 3 and/or 4) of this document.
